Councilmember Cole Celebrates the Skyline Hills Branch Library Grand Opening with Hundreds of Students from Local Schools

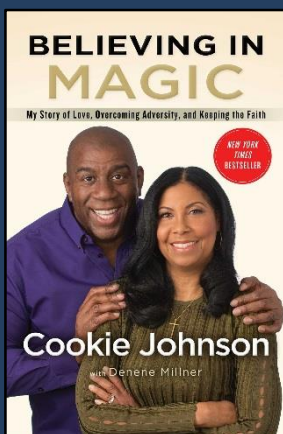

I was overwhelmed with emotions at the **Skyline Hills Branch Library Grand Opening** on Friday, October 14th. Like I said, it takes a village, and I saw the village come together last week.

The new Skyline Hills Branch Library is a **15,000 square foot, LEED Silver-certified** facility that was the first to be built using the City's new streamlined construction process. The facility includes features such as **children and teen areas, study rooms, an ADA room, and a computer lab**. It also has an indoor kitchen and outdoor coffee kiosk with an outdoor reading patio.

On its first day, we opened doors to hundreds of community members and students from Boone and Freese Elementary School, Fulton and Audubon K-8 School, Bell Middle School, Keiller Leadership Academy, and O'Farrell Charter School.

This is more than just a library, it is going to be a **vibrant community space** for families and residents of all ages to gather. I encourage everyone to visit it at 7900 Paradise Valley Road.
